# Your Kleenheat gas bill explained

## Monthly Energiser | Monthly Smart Saver

### 1 Helpful contacts

Here are the phone numbers to call if you have an enquiry, need to report a fault, leak or emergency, or require assistance with a speech or hearing impairment or an interpreter service.

On our website, you can log into [My Account](#) and view your billing history, or use the live chat to speak to a member of our Customer Service Team.

### 2 Your Kleenheat account number

Your account number is specific to your natural gas account. We'll ask you to quote your account number when you contact us. You'll have a different account number for each property you have with Kleenheat.

### 3 Your account balance

**Previous balance:** The balance on your account when your last bill was issued.

**Payments/Adjustments:** The total payments/adjustments made on your account during the period covered by this bill, e.g. your monthly instalment payments. You can view a breakdown of these payments/adjustments on the second page of your bill [7].

**New charges:** Your total charges for the period covered by this bill. A breakdown of your new charges is shown on the second page of your bill [9].

**Account balance:** This is the value of transactions on your account. It is calculated by subtracting your payments/adjustments from your previous balance and then adding the new charges for the period covered by this bill. Your account balance is factored into your new monthly instalment amount shown at [6].

You can find more information on how instalments are calculated [here](#).

### 4 Your gas usage trends

The graph shows your total gas usage for the period covered by this bill, your previous bill, and your bill for the same period last year.

In this section of your bill, you can also see the plan you are on and a summary of your average daily gas consumption and average daily cost of gas for the supply period.

### 5 Your savings with Kleenheat

On our monthly instalment plans, you receive a discount on the gas usage component of the [standard gas tariff](#) set by the Western Australian Government (shown next to your gas usage charge on your bill). This section shows your total savings compared to what you would have paid on the standard gas tariff.

### 6 Your monthly instalments

**Current monthly instalment amount:** The monthly instalment amount set for the period covered by this bill.

**New monthly instalment amount:** The monthly instalment amount for the period covered by your next bill.

**To apply from:** The date you've selected for your monthly instalments to be withdrawn each month.

You can learn more about how monthly instalments are calculated [here](#).
